

ALLEY CAT

In Gamla Stan, Stockholm's Old Town, the Royal Palace sits amid centuries-old restaurants and brand-new scotch bars and kebab houses. "Stockholm has a lot of old beautiful buildings," Ljungberg says. "In the old city, it's all narrow cobblestone alleys and the houses are all bent over because they're so old. Some of the alleys are so small you can hardly see the sky."

Opposite page: Gray shirt, \$95, by Calvin Klein Collection. *This page:* Khaki shirt, \$168, Marc by Marc Jacobs. Cashmere pants, \$1,330, by Tom Ford for Gucci. Sneakers, \$70, by Nike at Isa, Brooklyn. Photo shoot produced by LUNDLUND, Stockholm.
